The Cedar Creek is a two-story home perfect for large or growing families. The spacious master suite is on the bottom floor along with an open kitchen, dining area, and family room. A versatile study sits directly beside the stairs which lead to three secondary bedrooms and a full bathroom upstairs. There is also a drop zone and utility room adjacent to the kitchen and a powder room directly off of the living area.

Tilson continuously improves home designs and reserves the right to modify home features and specifications without notice or obligation. Square footage is approximate and includes overall dimensions. Renderings are drawn to be substantially correct. Tilson standard features may vary by home design and/or location. Contact a Tilson Sales Associate for details.
