The Floresville is an efficiently designed home with wide-open spaces and separate living quarters. Entering from a covered porch, a modest foyer leads directly into the kitchen, which features an island with a large eating bar and a walk-in pantry. The kitchen flows into the dining area and family room, highlighted by a wall of windows and a rear exterior door that lets in plenty of natural light. Adjacent to the dining area is the master suite, which boasts a spacious walk-in closet. Back at the foyer, two bedrooms with sizable closets and a full bathroom branch off to the right, while a utility room and a small closet are positioned to the left.

Tilson continuously improves home designs and reserves the right to modify home features and specifications without notice or obligation.
