The Granbury is a spacious two-story design, ideal for large families. As you enter through the front door and move through the foyer, you'll find the master suite situated privately on one side of the house. On the opposite side, the expansive family room seamlessly connects to the kitchen and dining area. Additionally, there is a dedicated study space that can be converted into a guest room. Upstairs, you'll discover three more bedrooms, another full bathroom, and an open game room area.
