Light fills the open and airy spaces of the Magnolia. The front entrance opens into a spacious foyer, with a study and closet conveniently located to the left. Straight ahead, the large family room seamlessly connects to the kitchen and dining area, alongside an open flex room that can be used as an entertainment space, lounge, or anything you envision. A hallway extends from the flex room, leading to two bedrooms, a full bathroom, and the utility room. On the opposite side of the layout, the master suite offers two walk-in closets, a powder room, a large seated shower, and a soaking tub.
